

Together for the future...

DEAR MEMBER STATES,

Greetings on behalf of the NBC Bureau. We are honored to work with you.

On behalf of NBC, thank you for the work of the previous presidency.

We continue to count on their experience and advice.

Managers who bring people together, form a team, set goals and work with commitment were elected under the new Presidium.

When we accepted the invitation, we set ourselves three main tasks.

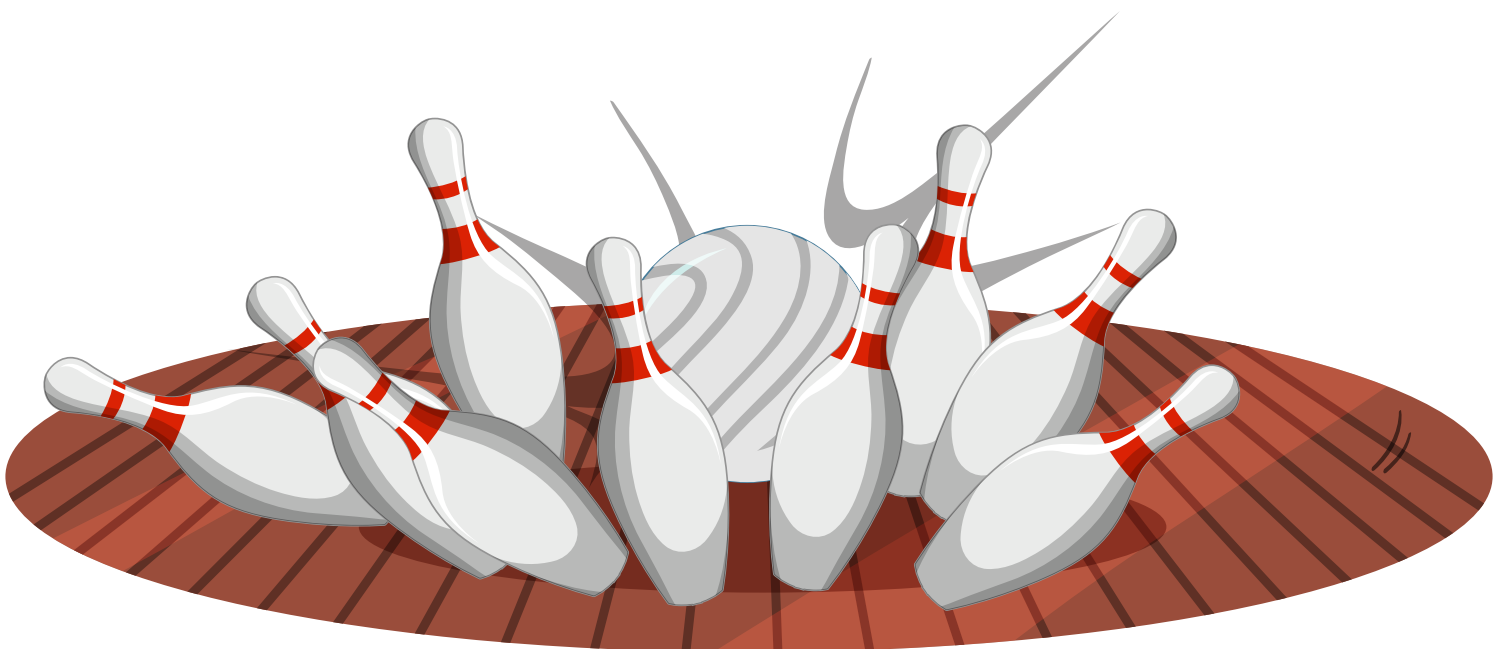

- **COLLABORATION**
- **YOUTH EDUCATION**
- **POSITIONING** (media and sports diplomacy)

Allow Us to thank the members for their motivation and support.

We trust them, we trust you!

Let our mission be simple and clear.

Together for the future...
