Re: **Enrolment to the International youth camp 2023**

Dear sport friends,

The NBC-headquarters in cooperation with the Croatian Nine-Pin Association will organize this year again the **International Youth Camp 2023**.

This youth camp is intended to deepen the cooperation between the national ninepin associations in the field of education of our youngest players. Now we address you with the first information giving you first answers to basic questions:

When? – from 26/7 to 1/8/2023

Where? – Otocac, Croatia

Who? – Girls and boys aged 15 to 16 years

Price? – 282 € per person (€ 102 NBC + € 180 participant)

The NBC contribution is intended for athletes and up to 1 coach from each national federation.

If a single room is requested, the price is 330 €.

The guidance of the youth camp is assigned to special experienced trainers who have proved their extensive experience with the education of our young sportsmen and sportswomen (ninepin players) and they have proved it earlier in the leadership of this event.

During the event (Youth camp), the youth coaches will share their learned lessons. During the period of their stay in the youth camp, our young sportsmen and sportswomen will be able to test their physical and playing skills. In the same time they will have the opportunity to build and deepen new friendships with young sportsmen and sportswomen from other national associations. For this youth camp the most important point is that the experienced tutors will teach the young sportsmen and sportswomen, given them more pieces of knowledge, which should help them during their sport career.

Youth camp is not intended for beginning sportsmen. On the contrary – there should participate players who already have basic experience and knowledge of the sport and who need to further develop their talent. In order to become world champions in the future.

We hope that you will allow participation of your young sportsmen and sportswomen and you will enrol them.

You will get more detailed information later.
